Students can use their hours worked at the Football concessions for Community Service Hours. If they have not reported these hours to me they can still do this and it will be recorded towards their CRLE .5 credit.

SENIORS: Remember to file your Free Application for Federal Student Aid (FAFSA). <https://fafsa.ed.gov/>

This is a good tool to have in place so you are prepared to go forward with Post High School plans. The above website is user friendly with many tutorials to guide you. Pay attention to the deadlines for individual institutions as well as the FAFSA deadline. Monies available for disbursement are given out first come first served, to qualified applicants.

We have enjoyed several presentations from various colleges, heard from a military recruiter and a Career Seminar is planned for February. If you know of anyone, including yourselves, who is interested in giving a 20 minute presentation about their career path please send the contact information to me. Onward!
