Outdoor School

Upcoming News: We are in the very early stages of planning for our outdoor school. Stay tuned for more updates.

Our study this year will take us to Mt. Saint Helens. The dates are May 15th-18th 2018. May 18th is the anniversary of the eruption.

We will be camping within walking distance from the Mt. Saint Helens visitor center at Seaquest State Park in Washington.

The students will be staying in yurts with chaperones and we have reserved the kitchen shelter for our group meals and lesson times.

We will be taking part in the history and scientific study of the volcano and surrounding areas. We will be doing some hiking and plenty of exploring.

If you would like to join us they have several camp and RV sites available. With it being the anniversary these sites will fill up quickly so you will need to make your reservations as soon as possible.

Outdoor school is mandatory and considered course and graded work for all students.

Please contact Mrs. Wickwire if you are interested in joining us or if you have any questions.

Career Week: is the first week in **February 5-9** between the hours of **11:25am-12:15pm**. If you, or anyone you may know would like to share their career experience with our student body, please call the school office for more information.

Principal's Desk: Welcome Back! I trust everyone had a wonderful Christmas break. As we enter into the year of our Lord 2018 my prayer for each of us is that this is the year when we will see Christ's "RETURN".

We are told to stay alert for we don't know the day or the time of His return but we can prepare our hearts for that day. My prayer for all of Lifegate is that we would see TODAY, His 'return' to the epic center of our lives. This year may we look for him in ways we have never looked before. May we be actively seeking His "return." Looking for Him in every situation, every relationship, and every decision.

When the Lord returns we will be forever changed in every way, may our hearts and our minds be prepared for this change even today. May we as His people learn to live expectantly?

Blessings to all of Lifegate Families and Happy New Year!
