Awards Assembly

Many of our students received various awards. This is truly something that we all should be proud of. Your student's accomplishments show a sign of dedication and hard work. Congrats and great job to all of you!

Last day of school is 6/7

we will have an Archery demonstration, fun games and free lunch to end another successful year. Students will be released early. Release time will be announced.

Outdoor school

Our students had an awesome time bonding and sharing. Thanks to our parent volunteers and

teachers who did a fabulous job. Special thanks always to Mark Houston and Charlie Beckham who volunteered their time and expertise to help-out, cook, feed, and share important time with the students. Another successful year!

From the Administrator

Blessings to all,

As we wrap up another wonderful school year I want to take a step back and thank all of those who have made this year successful. First of all a very heart felt thank you to our Lord. This school is in existence only by the grace of God. It is He that wills it and He that sustains and chooses to bless it. Thank you to all of our super dedicated staff and volunteers for the day to day blessings. Thank you for speaking Life into our student body and winning the battle of the day. You are such a treasure. Thank you to the board for all your hard work and leadership, you are very much appreciated. Thank you to our families who have entrusted us with your precious children.

It has been a pleasure serving with each one of you as together we make a difference in the Kingdom.

Stay tuned to all the exciting things coming our way next year. I'm so thrilled to see where God takes us next.

May you be blessed,

Mrs. Wickwire

Welcome Mr. Cline

I began working in Christian schools in 1987 at Springfield Christian Center School and spent 12 years at Eugene Christian School and eleven years at Harris Private School in Harrisburg. I began as a teacher and began working as a teacher/administrator in 2011. As administrator of Lifegate I will continue to teach some classes.

Since moving to our current location we have been in transition. Next year will be a continuation of an intentional process that we embarked upon when Lifegate moved to the Wyatt location. That process includes a renewed emphasis on fiscal responsibility and accountability to our staff and student families. The primary focus of this on-going process is to confirm who we are as a school and to establish policies and procedures that will establish a sustainable foundation from which we can fulfill our vision, mission and calling from the Lord.

Valued staff members are moving on for various personal reasons. They have been an essential part of the Lifegate DNA and will be missed, but their heritage will continue in the fabric of who we are as a school. They are being very helpful in providing a smooth transition into next year. Returning are: Mrs. Wickwire as our accountant (limited office hours), Linda Mitchell as our office manager, Mrs. Langenburg as a full-time teacher, Bob Humbert as our janitor, and myself. We are currently searching for and interviewing potential staff members for next year. We will conclude that process as quickly as possible.

Completed registrations for the fall are imperative for us to make sound decisions on staffing, class scheduling, curriculum purchases, and teacher assignments. In my previous role of administrator of Harris Private School, my policy was to have preliminary schedules and teacher assignments completed before the staff is released for the summer. This makes for a productive summer of preparation and a smooth beginning to the new school year. (Google calendar is available to view on-line, but all in- school event dates have not been determined)
