Re-enrollment time is here

It's that time a year to begin planning enrolling your student for 2019-2020 please inform us as soon as possible. Mr. Cline has begun working on projecting a budget for next year. He would like to get a start on preparing and scheduling classes and looking into areas that can be improved.

Thank you all in advance for your consideration on getting forms returned as quickly as possible so that we can continue planning for the next school year.

Registration discount has been extended to Thursday March 7th.

Outdoor School Updates

We had our first meeting with our volunteers Mr. Houston, Mrs. Beckham and our teachers to start planning curriculum and activities for outdoor school.

Parents, we are still in need of volunteers who would like to help out with this three day outing. We have those who have signed up to chaperone in the yurts. If you want to participate you can still volunteer to come out during the day or drive students to and from camp. I'm sorry to announce that due to our budget we are unable to provide sleeping arrangements for anyone other than our chaperones.

Tent sites may be available, but you would have to reserve through the camp reservation site.

We will have another meeting scheduled for this month to plan meals and complete daily schedules.

Please be sure to call the office if interested in volunteering. All volunteer forms and information must be completed before driving or volunteering. Please stop in the office for more information.

Career Week

Even though Career Week got off to a slow start with weather delays and postponements it all turned out great. The students were able to hear from speakers from many occupations who dropped in to share a little about their careers. Thank you Mrs. Langenberg for your hard work putting it all together!

"Save the Date: Friday April 12th Spring Banquet

This will be a night that will be held to honor families who have supported Lifegate over the years and our graduating seniors. All Lifegate families and friends are welcome to attend! Our seniors chose the theme as a Black Tie Event. Formal attire is preferred but not required. Students & Parent Volunteers are needed. This is a good way to earn some of your volunteer/community service hours. Contact Pam Adams to volunteer.
