## MAY'S ISSUE

These helpful tips and Scripture will help reassure you that with God's help anything is possible. ... Faith and prayer are the keys to making the impossible possible—even though the process can be very slow and even if our faith is oftentimes very small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you. Matthew 19:26 - But Jesus beheld [them], and said unto them, With men this is impossible; but with God all things are possible.

Greetings to all.

We are in the process of planning for next year and Lifegate will be going through some exciting changes. First of all there will be a change of leadership, this will be my last year as Lifegate administer. I will be pursuing a new business venture with my daughter at Max Porters in Junction City. I will be staying on as the finance director. I'm pleased to announce that Mr. Cline has accepted the position of principal for next year. Please welcome him.

There are a few other staffing changes to make you aware of.

We will say goodbye to Mrs. Beckham after 24 years. We also say farewell to Mr. Miller, Mrs. Bauer and Mr. Hammond. God is calling each of these servants into a new experience with Him. We thank them for their years of service, heart, expertise and most of all for their incredible examples of character and commitment to our Lord. Please keep them in your prayers.

We are making plans for the fall and are accepting applications now for high school, middle school and are excited to announce that we will be establishing a new elementary program starting with kindergarten. Please spread the word.

If you haven't re-enrolled yet please do so, it's very important to know how many students to plan for as we are interviewing and hiring new teachers.

There will be more information coming as soon as the details are worked out. Stay tuned.

If you have any questions don't hesitate to call, I would love to discuss any issues you may have.

Thank you  
In His Service  
Donna Wickwire
