## From the Principal

Welcome back new and returning students. We are excited to have you all here. Thank you all for choosing Lifegate, without each of you Lifegate would not be here. The teachers, staff and I are all looking forward to working with such a great group of students and families. We are hoping for an awesome, bright, blessed year.

The enthusiasm and volunteering spirit of our parents is a blessing and will only enhance the image and growth of our school. The parent ran lunch program is working out great! The students seemed to be enjoying it very much by the looks on their faces and the mad rush to get in line. Thanks to all the parents who have provided lunch so far.

We also are looking forward to starting our archery program soon with the support and direction of one of our parents. It's a new year and no one knows exactly what God has planned, but by the way we are starting I believe it will be exceptional. Blessing to you all!  
Mr. Cline
