- Harvest Party-planned by our "Student Government"

## Oct. Tidbits

October is here and fall has officially began. Another summer has come and gone and the leaves are changing colors and beginning to fall. Thoughts are now turning toward winter festivities and the holidays will be upon us soon. School is in full swing with novels to read, and quizzes and test to take.

The sun is going down sooner and the mornings are chilly and harder to get started. Remember that good sleep, a healthy diet, and exercise are essential to staying healthy during the winter and keeping the flu away.

Did you know that Ren-Web has more to offer than just staying on top of your student's grades? You can also access our school calendar, monthly newsletter, and announcements too! Check it out. If you haven't used it before or haven't signed up, just drop in the office or email and I will get you set-up.

Have you noticed you may have box tops, bottles or even recycling cans laying around and don't know what to do with them? Bring them to the office. We have an on-going fundraisers that benefit our school. Deadline to submit box tops for the fall is Nov.1 so please drop them off in the office by Oct. 22<sup>nd</sup> to make the deadline.

## Giving Thanks & Praise

Giving thanks is a part of praising God. Jeremiah 30:19" from them will come songs of thanksgiving and the sound of rejoicing. I will add to their numbers, and they will not be decreased; I will bring them honor, and they will not be disdained."

We are thankful to God for sending us new students. We recently enrolled a new student last month and had several phone calls inquiring about our school. Welcome to Sarah and her family.

Our students are thankful to God for all the parents who are providing lunch each day!

Continue to pray for our school, families, students, teachers, board members and staff.

If you have a prayer request or praise report contact the office we can pray and rejoice together!

## Student Government

Our student government is active and in full swing. Class representatives have been selected and they have had several meetings. The first fundraiser is the Papa's Pizza coupon sale. The proceeds will help with their first school event the Harvest Party date of event is October 31st at school. Planning is in the works for so many exciting things through-out the year. Each month they are planning an event or activity for the student body. Parents can support and encourage students by helping out when needed. These activities work towards building school spirit and providing a fun environment for our students. For more information or questions you can always contact one of our student government leaders or their parent supervisor Martha Woodland.

Vice President: Parker McNie  
Secretary: Natalie Woodland  
Treasurer: Aaron Woodland

## Principal's Page: Mr. Cline

As we begin the second month of school I am pleased to report how wonderful a beginning to the year we have had. Not only are the students creating a peaceful and harmonious environment but I am impressed with every aspect of their attitudes, cooperation, and work ethic.

The Lord has blessed us in many ways with answers to prayer as well. We have continued to gradually add students and there have been generous financial donations. We have been given favor with governments and agencies in ways that have saved us large amounts of money and our efforts at conservation have been rewarded by significantly decreased utility bills from last year at this time.

Our first chapel was amazing. Pastor Brian Cuff brought a powerful and timely word and the worship set a tremendous environment. If you have ideas for chapel speakers please let us know, as we are planning as far ahead as we can.

Continue to pray for more students, as the board would like for us to be able to add to staff so that we might be able to offer more classes and lighten the load that our staff currently has.

I want to again thank you all for your support. Our family of families is amazing! Your willingness to sacrifice and help has been above and beyond.

Blessings,

Mr. Cline  
Principal
